

Mélange Health Solutions LLC.

JOB DESCRIPTION: Client Care Counselor

Page 1 of 2

Mélange Health Solutions is a NC based organization dedicated to strengthening and preserving families through innovative in-home counseling, individual, group therapy and community empowerment. Our team members promote the wellness of our clients by providing an array of services that will optimize physical, mental, and spiritual well-being. Responsibilities may include individual, family, and group counseling; wrap-around care management; and crisis intervention. Licensed supervision provided.

The position is full-time or part time (hourly).

Primary responsibilities:

- Conduct assessments of client's needs and strengths
- Develop treatment plans, goals and family objectives
- Work collaboratively with other services providers and community partners to deliver client solutions
- Develop relationships through meetings, direct conversation and correspondence with families, schools and other Community resources in order to provide optimal care to clients.
- Integrates solutions by coordinating information and actions among community resources and agencies.
- Assists with application and coordination of benefits/entitlements
- Provide coaching, counseling and services to children and families within the home, school, or the community.
- Develop treatment or progress notes, person-centered plans, and participate in child/family meetings.
- Behavioral intervention, or community integration counseling
- Effectively communicate information and respond to questions from families, members, and providers.
- Market clinical services and explore new opportunities and partnerships
- Participate in the internal continuous quality improvement process, such as peer review, audits, Joint Commission or state survey preparation.
- Updates professional knowledge by participating in educational opportunities; reading professional publications; maintaining personal networks.

Skills and Attributes:

- Motivated, professional, reliable, and creative caring individual
- Connecting with Children and families,
- Motivating Others & Persuasion
- Active Listening & Verbal Communication
- Emphasizing Excellence & Cultural Diversity
- Results Driven & Quality Focus
- Attentions to Details & Documentation Skills
- Basic computer and internet navigation and research
- Resolving Conflicts
- Ability to prioritize and manage multiple deliverables simultaneously
- Personal time management
- Client contact and schedule management
- Ability to work as a team member, as well as independently
- Customer Service skills are a must for this position
- Bilingual in Spanish and English a plus but not required
- Willingness to learn
- Works independently with little direction
